Attention USPSA Competitors:

**The Wisconsin Section has graciously offered to pay the \$40 fee for all students, directly to USPSA. The only money out-of-pocket for students will be the \$20 per student range fee. Thanks to Ronnie Casper and the Wisconsin Section!**

The Oconomowoc Sportsman's Club is hosting a USPSA Range Officer Seminar on Saturday & Sunday, January 15<sup>th</sup> & 16<sup>th</sup>, 2022. This is the only way to become a USPSA certified Range Officer.

Students **must** be current USPSA members and be classified in USPSA or SCSA, but they may renew or join online prior to registering for the seminar. Students who are not classified will not be allowed to register via the system but can contact the Instructor and ask for an exception. If the Instructor feels that they have enough match experience, the Instructor can add them to the class. Our instructor is Jay Worden and his email is: [jayw@nroi.org](mailto:jayw@nroi.org)

Please register via the USPSA's web site. You can register by logging in to USPSA's site here: [USPSA](#), then navigate to the sign-up page here: [OSC RO Seminar](#)

Saturday will be in the OSC clubhouse. Though heated, it can get chilly, so dress appropriately. Expect class to run roughly 8:00 AM to 5:00 PM.

Sunday will be partially outdoors and will include an outdoor live-fire portion. Dress for the weather.

Please pack your lunch & snacks as there is nowhere close for lunch and the lunch break is short.

Please download or print the appropriate information once you are registered and get the email confirmation from USPSA.

Remember to bring your laptop loaded with the student guide and latest version of the USPSA Competition rules. USPSA is no longer printing these documents, but they will be made available to each registered attendee, along with a link to pre-seminar learning exercises.
